LAST CALL

LAST DAYS TO REGISTER FOR VISIONI DAL MONDO COMPETITIONS:

- **ITALIAN CONTEST**
- **INTERNATIONAL CONTEST**
- **INDUSTRY CONTEST VISIONI INCONTRA**

MILAN 16-19 SEPTEMBER 2021

Even this year, the seventh edition of *The International Documentary Festival Visioni dal Mondo*, **from 16 to 19 September 2021**, will light up the passion for documentary, in Milan.
For four days, Visioni dal Mondo will enrich the artistic and cultural landscape of the city, giving life to one of the most awaited events of the year among documentary's lovers.
Visioni dal Mondo **will finally return in presence in Milan**, at the Litta Theatre and at the National Museum for Science and Technology Leonardo da Vinci. With the aim of reaching an even wider audience, the 2021 edition will also maintain the digital formula available on the official Festival Platform
www.visionidalmondo.it.

Unmasking the present – Building a better future is the chosen theme for the 2021 edition. Our goal is to investigate and, more incisively, to unmask the present to imagine and build a better future.

These are the **last days to present your films and projects**. Register now to the competition:
https://www.visionidalmondo.it/en/contest-rules-2021/

Italian Contest, reserved to Italian filmmakers, and, from this year, divided into two sections: short and medium-length films (less than 50'); feature films and medium-length films (more than 50').

International Contest, dedicated to independent foreign productions.

The unmissable appointment with **Visioni Incontra** will take place, traditionally, on the first two days of the Festival. Visioni Incontra is the Industry section of the Festival, dedicated to pitching work in progress projects and to one on one meetings with prospective financers. The Contest for Best Documentary work in progress Project will consist of, among others, a 2500 euro prize for the winner.

You only have few days until the registration closes, on 7 June 2021, enrol now your film or project !
Visioni dal Mondo is waiting for you!
